

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF MISSISSIPPI

## BACKGROUND

On June 14, 2018, Defendant Maurice Clifton filed with the Clerk of the Court a verified motion to reopen this criminal case because the administration of justice was contrary to due process requirements of the Fifth Amendment and prejudicial to defendant causing continuant and irreparable harm. The Lower Court Judge Neal B. Biggers thought so little of Defendant's *Pro Se* documents that he failed to even consider any of his claims and summarily denied Defendant's Motion to Reopen Case on *Habeas Corpus* grounds without first reestablishing the Court's subject matter jurisdiction by first reopening this case.

The procedural default of the Lower Court violates due process and must be corrected on review.

Defendant is a prisoner and is unable to prepay the required filing fees. See Bureau of Prison's inmate pay ledger as made a part hereof as **Exhibit, A.**

This appeal is taken in good faith and for good cause. Further declarant sayeth naught.

Wherefore, Maurice Clifton, Non-lawyer, Non-attorney, Defendant *Pro Se* very respectfully prays that this Honorable Court will grant entitled relief and to allow this appeal to proceed without prepayment of filing fees or providing economic security. And grant such further relief as morally and constitutionally warranted.

*Very Respectfully Submitted,*

Maurice Clifton, Defendant  
Petitioner, Movant, *In Propria Persona*  
USM# 10590-042; and USM# 28332-077

Dated: February 7, 2019

Non-Attorney, Non-Lawyer  
Defendant, Petitioner, Movant
